'... The world is your Oyster... -

The Amsterdam Wharf has a close working relationship with many national and international world renowned catering companies and chefs, many of whom are constant visitors to the venue.

'The Taste' is yours. Whether it be fine silver service followed by english chips for the last drink, French, Italian, Indian, a complex buffet or a barbeque and classy cheese burgers the Wharf can help you make it happen.

Settings -

Table details and decor settings can add mood and atmosphere to highlight the event or celebration. The Wharf works closely with the caterers to ensure the final touches enhance any dinning experience.

From flowers to lighting, table d'oeuvres to music all the aspects are considered.

Facilities -

The catering area has an easy get-in for catering equipment with a suitable layout for racked and flight cased catering supplies and equipment to make preparation and service easy.

The Wharf's front of house staff are well versed in full service and work hand in hand with the visiting catering staff including beverage service.
